Letter of Appeal for donation of equipment and books to Maryvale Academy

Dear friends,

Maryvale Academy is a new independent Catholic School in Ottawa. Thanks to the tireless efforts of a core group of families, the Academy will soon commence its first school year on September 6, 2005. The Academy has now successfully leased a building and has hired a Director and four teachers.

Maryvale Academy has also begun the enormous task of acquiring the equipment needed to operate a school. In this inaugural school year, there are considerable requirements needed to get this large project off the ground. We are therefore appealing to the Catholic community in Ottawa for help in obtaining the items listed below.

If you could please review the list and see if there is anything you might be able to donate to the school. We would sincerely appreciate it if you could also please pass this letter on to anyone you feel might be able to assist us.

If you are interested in donating furniture, please contact the Director of Maryvale Academy, Gerry Kupferschmidt at 558-5398 or gerryk@holyfamilyinstitute.ca. If you are able to donate (or sell at a reduced price) any books, please contact Lara Pacheco at lara2@sprint.ca.

If you could please contact us as soon as possible as we will need to order the curriculum during the first week of August.

We ask that you please continue to keep Maryvale Academy in your prayers.
